

MEN LEAVING FOR CAMP TO BE GIVEN ROUSING SENDOFF

Parade Will Form at Corner of Court House in
the Morning to Escort Selectives to the
Pennsylvania Station.

PEOPLE TO SHOW THEIR APPRECIATION

Bells Will Ring and Whistles Blow
as Parade Moves at 6:30—
All Must March

SOLDIERS TO BRING UP REAR

Marchers Will Form Open Ranks on
Reaching Station and Selectives
Will Pass Through

"Give them a rousing sendoff."

This was the word that went down the line today in regard to the departure tomorrow morning at 7:10 o'clock over the Pennsylvania of thirty-one Rush county selectives for Camp Taylor, Ky.

This is the largest delegation ever leaving here since old Company B, departed last August and people of the county today were determined to show them that they were behind them to the last, man, woman and child.

The arrangements which have been made are the most pretentious ever attempted for soldiers leaving for training, but all patriotic organizations feel that Rush county should make some show of its patriotism and let the men who are going to fight to protect every home in Rush county that know their sacrifice is appreciated.

The parade will move promptly at 6:30 o'clock. As a signal for the movement, arrangements will be made for factory whistles to blow and the court house and church bells to ring. Every person is requested to carry a small flag.

No automobiles will be tolerated in the parade. Neither are people who are not willing to march, wanted to come to the place where the parade forms because there will be many children there and automobiles will endanger their lives.

"It will be no place for a slacker." said one man today who had in hand the arrangements for the parade. "If people can not march they may as well stay at home. We want patriots who are willing to give expression to their sentiments for these boys who are beginning their careers as soldiers so that we here in Rush county may be saved from the fate that the countries which Germans over-run, have suffered."

In addition to the thirty-one selectives leaving for Camp Taylor, three also leave for Lafayette at 10:51 over the C. I. & W. to take a training course at Purdue university. This tribute will be for them as well. Two colored men which count on this call will depart Monday for Camp Taylor over the Big Four at 12:25.

When the head of the parade reaches the Pennsylvania station, the marchers will form open ranks and the selectives, who will be at the rear, will march through, thus giving everyone an opportunity to say good-bye to them. If the crowd that is expected attends the demonstration, it will be impossible for all to have a personal farewell with each of the men they know.

All of the men called to go to Camp Taylor tomorrow reported this morning as instructed at the clerk's office in the court house. Some change had to be made in the list as given out by the board last Saturday. Earl B. Marlatt, Martin P. Carroll and Charles N. DeMumbrum were made captains for the trip to camp, each in charge of a squad.

FORMATION OF PARADE

The first section of the parade will form in Main street south of Second street and facing Second as follows:

L. B. Downey, civil war veteran, carrying flag.

High school boys drum corps.

City officials.

Delegation of women in charge of Mrs. Harrie Jones, Mrs. A. L. Stewart, Mrs. A. L. Gary and Mrs. Phil Wilk.

Delegation of men in charge of A. L. Gary.

The second division will form in East Second street, facing Main as follows:

The city school board, school teachers, high school glee club and children from every school in the city, in charge of Supt. J. H. Scholl.

Delegation of Civil and Spanish-American war veterans.

Boy Scouts.

County Army selection board.

Thirty-one men leaving for Camp Taylor, Ky.

As the head of the parade reaches the Pennsylvania depot, the marchers will form open ranks and the soldiers march through. The parade moves at 6:30.

FAREWELL FOR SOLDIERS

Patriotic Meeting at Washington
School For Colored Conscripts.

A patriotic meeting was held at the Washington school house last night as a farewell to the two colored boys, Nathan Wills and James Glass, who leaves Monday for Camp Taylor, Ky., to enter military service. A large crowd was present and listened to the excellently planned and executed program at the close of which a collection was taken, which was divided between the two men.

Five Selectives To Go Fort Thomas Wednesday

Date of Entrainment is Received To-
day and Personnel of the Quota
is Announced

THREE LISTED FOR INDUCTION

The next increment of selectives to leave here after the Camp Taylor and Purdue contingents, will be these called to Fort Thomas, Ky. The army selection board today received word that they were to be entrained for the fort May 1, next Wednesday. They will leave at 3:55 in the afternoon on the eastbound C. I. & W. train.

There are five in the quota, the personnel of which was announced by the board today just as soon as the date of entrainment was received. Walter Shockley, who was an alternate for the Camp Taylor increment, heads the list.

Three more registrants have been listed for voluntary induction under

Selectives Leaving Tomorrow

The thirty-one selected men who reported today and will leave in the morning at 7:10 over the Pennsylvania are as follows:

Camp Taylor Increment

Jack Wevie, Rushville.
James A. Alsmann, Arlington.
Frank Cameron, Jr., Rushville.
Lowell Cloud, Falmouth.
Orba N. Warrick, Rushville.
Fred C. Higgs, Rushville.
Paul Gordon, Falmouth.
John J. Schriebe, Rushville.
Paul L. Stewart, New Salem.
Anthony L. Schetgen, Rushville.
Fred Barlow, Milroy.
Martin F. Carroll, Rushville.
Grover Waggoner, Rushville.
William W. Wright, Falmouth.
Edward Gordon, Rushville.
Chase Taylor, Rushville.
Clyde E. Rogers, Lewisville.
Walter Moreland, Milroy.
Arthur Cregor, Falmouth.
Earl B. Marlatt, Rushville.
Ernest F. Marlatt, Rushville.
Robert L. Roam, Rushville.
John L. Duskey, Carthage.
Charles M. Demumbrum, Mays.
Will C. Casey, Rushville.
George C. Wyson, New Salem.
Gay Brock, Rushville.
Chase Bever, New Salem.
Bert Larison, Knightstown.
William D. Lewis, Carthage.
Benjamin H. Grigsby, Rushville.

Purdue Increment

The following three men leave at 10:51 over the C. I. & W. for Purdue, having been voluntarily inducted into the service:
William M. Carter, Rushville.
Clifford A. Hardwick, Rushville.
Elmer Darnell, Connersville.

FAYETTE AND UNION MEN TRANSFER HERE

Thirty-Nine Selectives from Two
Counties Eat Dinner in Rush-
ville on Way to Camp

2 TROOP TRAINS GO THROUGH

Thirty-nine selected men from Connersville and Liberty, Fayette and Union counties' quota on the present call, spent a few hours here today enroute to Camp Taylor, Ky. to enter military service. They were en-

Continued on Page 2.

Fort Thomas Increment

The following selectives will go to Fort Thomas, Ky., next Wednesday:
Walter Shockley, Rushville.
David Chappell, Milroy.
William H. Schmall, Rushville.
Frank J. Hagerty, Rushville.
Elsa I. Beeler, Rushville.

the call received last Saturday. Listing for this call ends tomorrow. Guy McBride of Mays, who was listed as a clerk, and Orville Kirkham of the same place, listed as an auto mechanic, both would have come in the Fort Thomas call, but instead may be voluntarily inducted until this call. John Hood, a school teacher of Mays, was the third registrant listed. He will go as a clerk if accepted. Kirkham was called as an alternate for the Camp Taylor increment, but all of the men called reported.

Bond In All But Six Homes in Carthage, Boy Scouts Find in Canvass

That there is a bond of the Third Liberty loan in every home in Carthage, with the exception of six, was the fact revealed by the canvass of that town yesterday afternoon by Boy Scouts from Rushville. None of the six was able to buy, but in two of them War Savings stamps had been purchased. The canvass there was very complete, but the Scouts sold a few bonds.

LIBERTY DAY SEES BIG LOAN RESULTS

Bond Sales Climb to Figures Beyond
Expectations of Workers on Na-
tional Loan Day.

MEETINGS BRING RESULTS

Reconstruction of Canvassing Part-
ies Prepares Townships for Fi-
nal Drive to Excess Quota

With Rush county bond buyers accepting the slogan "No matter what you have done, do a little bit more," canvassers spent a fruitful day and as the result of the request of President Wilson that this day be especially observed as Liberty Day, the bond sales ran up to figures beyond the expectation of county loan workers.

Already there have been excellent results from the series of patriotic meetings which are being held in every part of the county. The first meetings were held last night and in every instance unusual demonstrations accompanied the programs displaying the excellent spirit of the people who are still working enthusiastically in a final effort to put Rush county over in the fifty percent excess quota. The Rushville meeting will be held Monday night at 7:30 when war pictures will be shown preceding the address.

Donald Smith and John Tittsworth addressed the meeting for Orange township, which was held in the church at Moscow, and although the meeting was of a general patriotic nature, the sale of bonds was featured and the excellent subscription work which has been done under the direction of D. O. Alter and Charles Owens disclosed the fact that already Orange township has subscribed thirty thousand liberty dollars.

"There are no slackers in Union township," declared Judge Will M. Sparks following the meeting which was held in the Gings school building last night. "The people were not only willing to do their part in the first campaign but now that the excess quota campaign is on they have renewed their work with the enthusiasm which guarantees success."

Last night's meeting of Union township workers showed that the canvassers as well as the canvasees have not slowed down and are doing their share to give Rush county a white space in the state map for excess quota subscription.

A reconstruction of the canvassing parties in Richland township has been completed in order to raise the excess quota for the township and the teams have made plans to go over the same district next week as they did in the first days of the drive. The meeting for Richland was held last night in the school building when W. R. Jinnett delivered a stirring liberty address.

Meetings for tonight are scheduled for Noble township when A. L. Gary and E. B. Thomas will have charge of the meetings at New Salem. Donald Smith will address the meeting of Washington township residents, which will be held in Raleigh and Will M. Sparks will address the Washington township meeting which will be held in the Milroy school building.

FRENCH ARE SURROUNDED AT KEMMEL

After Eight Hours Fighting German
Storm Troops Wedge Way Be-
tween Two Flanks

CROSS KEMMEL-YPRES ROAD

Enemy Lines Run West of Mont
Kemmel But Result is in Doubt
Savage Allied Counter Attack

(By United Press.)

Copenhagen, April 26.—A British airman bombed the Zebrugge mole while the Kaiser was inspecting the results of the recent naval raid there, German newspapers declared today. The Kaiser remained on the mole and completed the inspection.

With the British Armies in Flanders, April 26.—French troops are entirely surrounded at Mont Kemmel and are still fighting.

After eight hours fighting yesterday German storm troops finally wedged their way between the French and British flanks and crossed the Kemmel-YPres road, where the terrific allied line held them for two hours then they turned southward and poured down the valley to west of Kemmel hill, surrounded the French who are still fighting atop the heights.

Although the Germans have reached the crest of the hill the remnant of the French garrison is still there. The French also hold the village.

Today the German lines run west of Kemmel but the ultimate winner is still a matter of doubt.

As the French held out in Flanders the Germans held out in the town west of Amiens.

In the Kemmel fighting the Anglo-French made a savage counter attack, both allied flanks piling on the Alpiners, turning the green fields of the valley into a sizzling hell. The Germans paid dearly for their gains.

With the French Armies in the field, April 26.—The Germans are continuing the development of their attack against Amiens with increasing violence aiming eventually at a separation of the Franco-British lines.

This is an indication of Hindenburg's determination to force a supreme, decisive conquest. The allies have had time to make the greatest defensive precautions.

As the result of unifying the allied command each is opposed to the present attacks preferring to lose ground rather than uselessly sacrifice their reserves.

CLYDE COLSHER DIES AT CAMP TAYLOR, KY.

Former Rushville Man Who Went
With Last Increment From
Connersville Expires.

ALL FEW DAYS OF PNEUMONIA

Clyde Colsher, a former resident of this city died this morning in the base hospital at Camp Taylor, Louisville, following a short illness of pneumonia.

The deceased was among the selective men sent from Connersville with the last increment and had been in training at the camp for four weeks. Relatives were notified Monday of his illness and at that time his parents, Mr. and Mrs. Charles Colsher, who reside in Connersville, went to the camp, and remained with him until his death.

For some time he was employed in the City restaurant, and is well known here. Aside from his parents and wife he is survived by one sister, Mrs. Silverton Bebout of this city. He was just married last June.

FIRST LOCAL BOY WOUNDED IN A BATTLE

Private Clarence Myers, 74th Co.,
6th Regiment of Marines, Falls
in Fighting April 13

HE ENLISTED HERE A YEAR AGO

Letter Indicates Tom Saunders is
Also Seeing Service—C. J. Bun-
nell's Son in 6th Regiment

Clarence Myers, 74th company of the Sixth regiment of Marines, is the first Rush county boy to be wounded in France.

His name appears under the head of "Wounded in Action" in the list of 278 casualties in the brigade of Marines with the American expeditionary forces, as given out at Washington and printed in today's newspapers.

"Private Myers was working as a clerk at the William G. Mulno store here in Rushville when he enlisted a year ago this month. At the same time five other Rush county boys enlisted in the Marines at the Indianapolis recruiting station.

"Private Myers' mother is dead, but his father, John P. Myers, formerly of Williamstown, who is now working in Connersville, has received the usual form message from Major General George Barnett, commandant of Marines, from Washington, announcing the wounding of his son on April 13.

The body of the message to the father of Private Myers says he was "wounded in action" and at the bottom of the message "were the two words, 'slightly wounded.' There are a few names in the list given out at Washington under the heading 'Slightly Wounded,' but Private Myers is not mentioned with these. It is though probable that the official message received by the father is correct and that he is only slightly wounded.

Private Myers was a bunk mate of Private Thomas Saunders, of this city who enlisted at the same time. They went to France together, being members of the same company. The fact that Private Saunders might be another of Rush county's boys on the firing line was disclosed in a letter received by Mr. and Mrs. John McCoy, this morning, which was written March 24. That he had been told that he would see service soon, probably prompted him to state in his most recent letter that "the next time I write there will be something interesting to tell." This is the only hint received by his relatives here that he might be among the marines on the firing line.

Ruskin Bunnell, son of the Rev. C. J. Bunnell, pastor of the First Baptist church, is a member of the Sixth regiment of Marines. Private Myers' regiment, and it is likely that he was in the fighting. His parents have received no word from him that would lead them to believe he was going to the trenches. He is a member of the second battalion of the 96th company.

Relatives have received word that Corporal Fred M. Marlow of Sandusky, a close friend of Private Myers, was also wounded in action. He has an aunt, Mrs. Will Jones, who lives in Milroy.

Bert Conde just this morning received a letter from Private Myers acknowledging receipt of his K. of P. lodge dues receipt. Private Myers is a member of the lodge here. The letter was written March 22.

Fred Spacey enlisted in the Marines at the same time Myers and Saunders did, but has never left this country, having been transferred to the artillery. He is with the First company, 10th regiment, Quantico, Va.

HOG PRICES ARE 25 CENTS HIGHER TODAY

Hog prices were 25 cents higher in Indianapolis today with receipts 500 less than yesterday. Corn was strong and prices advanced five cents, but oats remained steady.

LAST OF EDUCATIONAL EXERCISES ARE HELD

Citing numerous cases where men without educational advantages have been unable to compete with the complex business problems of the day, Dr. W. A. Millis, president of Hanover college, made a strong plea to the students of the high school this morning, urging them to continue their work in school and to take advantage of every opportunity offered for higher education.

Dr. Millis is spending the week in behalf of the educational campaign in Indiana and already has delivered seventeen addresses with two more scheduled before the campaign closes.

At two o'clock this afternoon the last of the educational lectures were given to the students of the local high school when Ernest and Earl Maratt, former Rush county teachers, spoke to the pupils. Both young men are leaving tomorrow for Camp Taylor and following short addresses delivered by them, the exercises took on the form of a farewell closed by the students giving a series of rousing "rahs" for the prospective soldiers.

Played Out Lawyer Looks Like New

All His Friends Pleased

For a long time he kept the secret of the wonderful change to restored health and recovery from nervous breakdown, but at last because of the help it might be to his friends he thought it only fair to tell them, and now they are all like him, have "come back" and feel like doing things.

He took Phosphated Iron and it took hold of him immediately he says he felt better "right off the reel" and you never saw a more thankful and pleased man, he cannot say enough in praise of Phosphated Iron. He says it seemed as if his whole system just craved the Iron. It was absorbed so quickly, the color came back to his cheeks, his step had that old time boy swing and spring, while as for his nerves, the Phosphates got right to work, cleared up the cobwebs and befuddled brain, so he could think better and act quicker, his judgment was right again, he had decided that he lacked for years, no wonder he is a pleased booster of Phosphated Iron.

Mr. Professional Man or Woman, Mr. Office Man or Bill Clerk or Stenographer who is all in and feels that he is not sick and he is not well, but who knows he is not right, Phosphated Iron is just what you need, it will tide you over, put you right, you will feel "on the job" and work will be a pleasure.

To insure physicians and their patients getting the genuine Phosphated Iron we have put in capsules only, do not take pills or tablets. Insist on capsules. PITMAN & WILSON and leading druggists everywhere. Rushville, Indiana.—(Adv.)

STOP A MOMENT! LISTEN TO THIS

Cincinnati man tells how to lift off any corn without hurting one bit

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a sticky substance which dries the moment it is applied and is said to simply shrivel the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce of freezone will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.

You are further warned that cutting at a corn is a suicidal habit.

WILLIAM GIBSON GETS SUSPENDED SENTENCE

Also Disenfranchised For a Year When He Pleads Guilty to Receiving Stolen Goods

OTHER CHARGE IS DISMISSED

William Gibson, who was first arrested on a charge of having stolen two barrels of beer from the L. E. & W. station, and later accused of having received stolen goods, in an affidavit filed by the prosecutor, has been given a suspended sentence of one to eight years in the Indiana state prison by Judge Sparks in the circuit court. He was also disenfranchised for one year and rendered incapable of holding any office of public trust. He pleaded guilty on the charge of receiving stolen goods, the other one having been dismissed when David Palmer, who was accused of the same offense, was acquitted in the circuit court after standing trial.

John Willis, former member of the city fire department, has been arrested on a serious offense and has been released on bond of \$50 in the circuit court.

MRS. MICHAEL FEY DIES AT GREENTOWN

Mrs. Michael Fey, a former resident of Noble township, died yesterday at her home in Greentown, Ind., where she had made her home for several years. Death resulted after an illness from which the deceased had suffered only a few days.

Mrs. Fey, who was the mother to Mrs. Mary A. Brown, of this city was eighty-six years of age. The funeral services will be conducted tomorrow morning at the residence in Greentown with burial in the Greentown cemetery. Mr. and Mrs. Charles Brown of this city, Mr. and Mrs. Clifton Stamm of New Salem or Nobel township have gone to attend the funeral.

FOR ASSAULTING DAUGHTER

Ellis Culbertson is Arrested And Gives Bond For \$100.

Ellis Culbertson, a prominent farmer, living south of Glenwood, was arrested yesterday afternoon, charged with assault and battery on his daughter Helen. The affidavit was filed by his wife, Myrtle Culbertson, and the offense was alleged to have been committed November 15, 1917. Culbertson appeared in court this morning and gave bond for \$100. He was allowed to go on his own recognizance last night. It is understood his wife and family are not now living at home.

FAYETTE AND UNION MEN TRANSFER HERE

Personal Points

Miss Nellie Drake visited in Indianapolis yesterday.

Will Newbold transacted business in Richmond yesterday.

S. L. Trabue was a business visitor in Indianapolis today.

M. F. Lovett of Carthage transacted business in this city yesterday.

Fred Sidlinger of Shelbyville was the guest of friends in this city yesterday.

Mrs. Della Collins of New Haven is the guest of Mr. and Mrs. Frank Flint.

Miss Marie Kelly of Chicago will arrive home tomorrow for a weeks visit here, the guest of her parents, Mr. and Mrs. Stephen Kelly.

J. Q. Thomas was in Richmond yesterday transacting business at East Haven.

Mrs. Roy E. Harrold and Mrs. Mary L. Neutzelhelzer spent the day in Indianapolis.

Miss Helen Long has returned to her home in Connersville after a short visit with relatives here.

Mr. and Mrs. T. J. Kelly of Louisville, Ky., will arrive in a few days for a visit with relatives here.

Mr. and Mrs. William Harris and son Paul and Miss Ruth Fulton of Greensburg, motored to this city yesterday.

Mrs. Claude Wilson of Jonesboro, Ky., arrived a few days ago for a visit with relatives here and in New Salem.

Rev. M. W. Lyons was called to his home in Indianapolis today by the serious illness of his father.

Miss Dorothy Frazee who is attending Butler College at Irvington, is visiting her parents, Mr. and Mrs. Austin Frazee.

Mrs. Fred Miller and children Virgil and Elizabeth Ann of Connersville are the guests of Mrs. Anna Maratt and Mr. and Mrs. J. H. Scholl.

Mrs. Bert West accompanied her husband as far as Indianapolis when he left yesterday for Paris Island, South Carolina, to begin training in the Marine Corps.

Mrs. Lewis Wymond of Louisville, Ky., will arrive this evening for a short visit with relatives and friends here. Mrs. Wymond will accompany the body of her aunt, Mrs. Meta Smith here, for burial.

Amusements

Geraldine Farrar at Princess

Scenario writers, playwrights and dramatic critics have many times wagged their heads in despair and declared, "There are no new plots. All of the great themes in the world have been exhausted. Give us something new! Love and war and the domestic triangle; oppression, crime, stories of detectives and the wild west; everything has been done. What can we do that is different?"

Some time ago D. W. Griffith, who is now an Artercraft producer demonstrated the fact that there is something new under the sun of dramatic themes by producing a stupendous film based on the theme of Intolerance through the ages. Now comes Cecil DeMille and the Lasky Company introducing Geraldine Farrar in a big theme—and a new one—Superstition.

This is the thread which runs through the production entitled "The Devil Stone," which will be shown at the Princess tonight. In writing the scenario, Jeanie MacPherson, working from the story by Beatrice DeMille and Leighton Osmun, discovered that the plot was new and different, and—of more importance—dealt with a big theme, that of the effect of superstition through the ages, from the ancient Norse legend of Grendel to the events in the life of Marcia Manot at the present day.

Picture With Thrills

Carol Holloway takes a long chance with death when she appears in the fifth episode of "Vengeance and the Woman," which is to be shown at the Gem theatre today. She is the captive of "Black Jack," the most notorious and cruel outlaw leader of the west. While he is driving a stage coach which he has held up she climbs through the window and taking his gun from his pocket, shoots him and makes her escape. Carol Holloway as "Bessie" is well supported by William Duncan as "Harry Blake," her husband in this greatest of all outdoor serials. In addition to this popular serial there will be three other first class reels including, "The Sacrifice of Kathleen," with "Art for a Heart," starring.

Lechner Pope of the headquarters company of the 139th Field Artillery at Camp Shelby, Miss., is home on a furlough to visit relatives here. He enlisted with the old Company B here and was transferred.

A six and one-half pound boy was born to the wife of Will Carroll of Plymouth this morning at the home of Mrs. Carroll's parents, Mr. and Mrs. Michael Cooning in North Sexton street. The baby has been named Robert.

VOTE FOR CHARLES OWEN

OF ORANGE TOWNSHIP

**Republican Candidate for County Commissioner
Southern District**

PRIMARY MAY 7th

HIS NUMBER ON THE BALLOT WILL BE 18.

He was candidate for nomination for commissioner in 1916 primary and received a majority of 54 votes in the county over his opponent, Harry (Hal) Gosnell and was defeated by 35 votes by his other opponent, John E. Harrison, who is a candidate for his third term.

HIS BUSINESS QUALIFICATIONS—He served as Trustee of Orange Township from 1908 to 1914. At that time he was the first Republican Trustee elected in previous twenty years. He has served as administrator for many estates for friends and neighbors; also was Secretary and Treasurer of the Moscow Gas Co. for a number of years, as well as Secretary and Treasurer of the building committee of the Moscow Christian Church. He is the Bankers' Chairman of the Liberty Loan of Orange Township, and has raised more money for the Red Cross and Y. M. C. A. than any three men in Orange Township.

REFERENCES—Any Bank, Banker, Business Men, Citizen or his records as trustee of Orange Township.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

We are authorized to announce the name of George T. Anthony as a candidate for Township Assessor of Rushville township, subject to the decision of the Republican primary election, May 7th, 1918.

While Educational work is being observed in Indiana this week, it might be well to remember that we must have schools to educate. Young people are being urged to continue their education at all hazards and not give way to some passing whim to quit school. The truth of the matter is the American schools are in grave danger of depreciation unless the American people face the school problem squarely as they have faced every other problem. The schools are suffering from the all-absorbing problems of today—the war and the high cost of living.

Dr. Horace Ellis, state superintendent of public instruction, has sounded a warning note. He says there is a great dearth of teachers, largely because of many of them engaging in war work. But there is another side. Wages and salaries in almost every other avocation have risen at least partially in keeping with the cost of living. Still teachers are expected to grind on at the same old wages. Many of them are leaving the profession for this reason because positions with more alluring salaries are open to them.

If the harm done were only in forcing a number of people to live on inadequate wages, the matter would not be very serious. But the harm does not stop here. The impossibility of obtaining living salaries is inevitably forcing the ambitious man or woman out of the profession and into some other calling that is more generous.

The natural result must be the filling of the schools with a lot of second-rate teachers, boys and girls who regard the school room at merely a stop-gap between their own school days and a profession—nice boys and girls, we grant you, but lacking much of being competent instructors. The only possible result of this condition must be the grievous neglect of the youth of the land.

And just at this crisis this country can not afford to neglect her children. America has had too hard a struggle to reach her present intellectual plane to afford to yield one fraction of the progress she has made. We have made too many sacrifices in the name of education and culture and intellectual and moral uplift to be willing to take one backward step. We must go on, in justice to future generations, in justice to the ideals that have inspired us.

Already the complaint comes from many sections of the country that numbers of the more competent teachers, disgusted with the meager salaries are leaving the school-room for more lucrative callings. Once out, and this talent is forever lost to the schools because the channels of business will quickly and eagerly absorb them.

There is but one remedy, and that is for the people to look the situation squarely in the face, and be willing to levy taxes for school purposes that shall put the teaching profession up and abreast the other professions. More, perhaps, than on any other class is the future of the country dependent upon the faithful work of her pedagogues. We must suit the reward to the magnitude of the work.

Nature Tells When to Plant Garden

The home gardener who is not certain when he should plant his seeds may get more valuable information by watching the processes of Mother Nature, and "taking a tip" from her.

Garden specialists of the United States Department of Agriculture divide vegetables into two classes—"warm-temperature" and cold-temperature" vegetables. When peach and plum trees are in blossom, they say, it is time to sow in the open ground such seeds as lettuce, radish, parsley, beets, turnips, cabbage, carrots, peas, and onions. The wrinkled peas should not be planted until later, as they are more likely to rot in cool ground than as the smooth varieties. When the apple blooms fall it is time to plant the heat-loving vegetables, such as cucumbers, beans, sweet corn, pumpkin, and squash. This is said to be an old but excellent rule.

And with your spare change, buy a few thrift stamps now and then. It's surprising how quickly enough of those will "congregate" together and make enough for a War Savings certificate.

Wander if those wooden shoes so strongly urged by some, will prevent or cure cold feet. If they will, the country can stand for them.

push the sale of soft package sugar are inviting the wrath of the federal food administration. Dr. Barnard says. He quotes from a telegram from Washington, signed by the head of the sugar division, as follows: "The food administration looks with disfavor upon the efforts of any refiner to force the sale of any particular grade or style of sugar and you are requested to notify the trade that they should insist upon receiving the grade and style of sugar needed for consumers in their particular line of business."

The American Defense Society has started the "Lip Service League." The society says that people are not doing enough talking for Uncle Sam and are allowing the pro-Germans, posing as radicals and airing enemy views under the guise of "liberalism," to get the upper hand. This is not a bad idea for after all public opinion is going to win the war eventually and public opinion is made with the lips.

dedicated at Charlottesville, Sunday. C. W. Canale, Indianapolis, state superintendent of missions, will speak at the services at 10:30 a. m., 2:30 and 7:30 p. m. Sunday school will be held at 9:30 a. m.

The Kaiser is said to be a diligent student of the career of Napoleon. There are a few incidents toward the close of that career that are not calculated to give William any great amount of satisfaction if he would emulate the little Corsican.

Now that the daylight saving bill has become law, perhaps some of our young bloods can worry through and be ready for bed by 2 g. m.

It's too late now to let George do it. The responsibility for not buying that Liberty Bond rests on you alone.

Frank Bumpus, alleged pro-German, caused a rumpus at Shelbyville and was arrested.

Do you have a dull, aching pain in the small of the back—sharp stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Rushville residents recommend Doan's Kidney Pills. Read this Rushville statement.

Mrs. Joseph S. Endicott, 125 S. Harrison St., says: "Sometimes I overdid at my housework or took cold and it was at just at such times as that, I had trouble with my back. My back would get so lame I was miserable and everything in the way of work wore me out. When stooping, sharp catches would seize me across the small of my back. Doan's Kidney Pills, which I got at Pitman & Wilson's Drug store never failed to cure me of those attacks."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Endicott had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)

City Comfort for Farm Homes

Overlooked by the Modern Home is the Caloric Pipeless Furnace. You can be warm all over. You don't have to be roasted on one side and cold on the other. You needn't lug coal from the cellar and carry ashes down from upstairs. You needn't get up in the cold to build fires. You needn't spend time and elbow grease cleaning soot from the ceilings. You needn't. But what's the use? You know the advantages of a furnace without our telling you. You've gone without a furnace for the same reason that you've stood for off-year crops—because you thought you must. House already built cellar not suitable or too expensive to cut holes in the house and install pipes. Nothing to it. Those objections are dead as last week's war bulletins. Our wonderful invention makes furnace pipes unnecessary. The Caloric Pipeless Furnace can be installed in any house, new or old because there are no pipes to put in. You need cut only one hole for the single register immediately above the furnace. The

Look! Strong Guarantee!

This is our daring method of proving to you what the Caloric Pipeless Furnace will do for you. We do not expect you to believe the strong points about this furnace on somebody's say-so, and therefore we make a guarantee offer that heretofore was absolutely unheard of in the furnace business. Here is our proposition: You put the Caloric Pipeless Furnace in your house, school, hall or other building and give it a fair test. Workmanship, material and heating results are guaranteed. If anytime during the first year you find this Pipeless Furnace unsatisfactory, we will correct it. Nothing can be fairer than this.

Come In to See It

You cannot thoroughly appreciate the Caloric Pipeless Furnace unless you actually see it. We can easily prove to you that this furnace will heat your entire house with no pipes and only one register. We also want to tell you about the other Caloric guaranteed and absolutely proven facts.

BANISH CATARRH

Breathe, Hyomei for Two Minutes and Stuffed up Head Will Get Relief

If you want to get relief from catarrh, cold in the head or from an irritating cough in the shortest time breathe Hyomei.

It will clean out your head in two minutes and allow you to breathe freely.

Hyomei will end a cold in one day. It will relieve you of disgusting snuffles, hawking, spitting and offensive breath in a week.

Hyomei is made chiefly from a soothing, healing, germ killing antiseptic, that comes from the eucalyptus forests of inland Australia where catarrh, asthma and consumption were never known to exist.

Hyomei is pleasant and easy to breathe. Just pour a few drops into the hard rubber inhaler, use as directed and relief is almost certain.

A complete Hyomei outfit, including inhaler and one bottle of Hyomei, costs but little at druggists everywhere and at Johnson's Drug Store. If you already own an inhaler you can get an extra bottle of Hyomei at druggists.—(Adv.)

FORMER RUSHVILLE ATTORNEY EXPIRES

Judge Wesley S. Morris, Who Left Here in 1886, Dies at Los Angeles, California

THE WIDOW WAS MAY BOLING

News of the death of Judge Wesley S. Morris of Colorado Springs, Colo., formerly of this city, at Los Angeles, Cal., where he went last December on account of his health, has been received by friends here. Judge Morris married May Boling of Richland township here in 1878 and eight years later, after having established a lucrative law practice here, moved to Wichita, Kansas, on account of his wife's health. He served two terms as prosecuting attorney here and in 1893 moved to Colorado Springs.

Judge Morris immediately became active in republican politics there. He served two terms as city attorney and two terms as a member of the school board. In 1906 he was elected to the bench of the fourth Colorado judicial district and held that place at his death, having been re-elected in 1912.

Judge Morris was born in Harrison county, Ohio, in 1851 and obtained his degree at DePauw University at Greencastle. He then located in Rushville. The widow and four children survive.

Your 1918 auto license is ready for you. Louis Hiner, at the Republican office.

MASONIC DEGREE TONIGHT
Phoenix lodge No. 62 F. & A. M. will confer the M. M. degree tonight beginning at 7:30. Visiting Masons are welcome.

Our Line of Defense

It is a moment of tense nerves—ready to slip out of the trench at the word of command—and at the enemy. Our men on the firing line are physically fit for military service because only about one man out of five was chosen to endure the hardships of this fearful war. But we must not be content with 20 per cent. in physical health of our American youth. We cannot afford to lose four men out of five because of physical unfitness. Such weaknesses can be cured. Many times the kidneys are to blame.

If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to uric acid or toxic poisons stored in the blood and which should be swept out.

Then procure at your nearest drug store Anuric (double strength). The cost is 60 cents. This Anuric drives the uric acid out.

Send Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., 10c for trial package.

Goshen, Ind.—"I have been using Anuric about four and one-half months, and am cured of rheumatism and constipation, after suffering about eight years. Anuric is the greatest blessing that ever was bestowed upon me. If anyone who is suffering would like to ask me any questions in regard to Anuric, I will gladly answer, or do anything in my power to help suffering humanity."—Arthur J. Brock, 614 North Main Street.

FORMER LOCAL MAN

No Blame Attached to Dr. C. R. Arnold of Colorado Springs, Colo. Whose Car Hit Her

BLINDED BY AUTO LIGHTS

Dr. C. R. Arnold of Colorado Springs, nephew of Mrs. Mary J. Holmes of this city and John Arnold of Union township, ran into Mrs. Ellen Dyer, 65, with his automobile at a street intersection in Colorado Springs a few days ago fatally injuring her, according to a newspaper account of the accident received here. The woman was rushed to the hospital and died a few hours later.

Dr. Arnold is a son of Dr. W. W. Arnold, of Colorado Springs, who visits here frequently. He himself visited his grandmother, the late Mrs. S. A. Arnold, and other relatives here for six weeks a year ago last summer. The younger Dr. Arnold is an intimate friend of W. A. Alexander of west of the city.

The newspaper account of the accident attaches no blame to Dr. Arnold for the death of the woman. The police said, according to the account, that the car was running only about ten miles an hour, but that the reflection from the lights on the wet pavement blinded him so he could not see the woman.

With The Churches

—First Baptist church, Sunday services in charge of the pastor: Sunday school at 9:30; public worship at 10:45 a. m. and 7:30 p. m. The morning service will be a slight departure from that usually held in honor of the presence of the members of the I. O. O. F. The sermon will be in celebration of the 99th anniversary of the organization of the Lodge in this country. The lodge members and their friends will be made welcome. The theme for the evening sermon will be, "The Triumphant Life." Baptist Young People's Union will meet at 6:30.

—A great Bible school meeting promptly at 9:15 will open the day's work at the Main Street Christian church. At 10:30 the pastor will speak on "God's Standard of Greatness," and at 7:30 the theme will be "Divine Evidences of the Divine Man." Special music at all of these services with the Orchestra at the evening church service. The Thursday evening meeting for prayer and praise will be led by Dr. J. B. Kinsinger.

—Services at the First United Presbyterian church Sabbath as follows: Bible school at 9:30; preaching service at 10:45, subject, "Building in Silence." Young People's meeting at 6:30; evening service at 7:30, subject, "Four Judgments Concerning Our-selves." Congregational prayer meeting Thursday evening at 7:30.

—Regular services will be held at the First Presbyterian church Sunday as follows: "quiet hour," 7 a. m.; Bible school, 9:15; divine worship, 10:30 a. m., subject of sermon, "The Sanctity of the Sabbath Day," 7:30 p. m., regular evening worship. Prayer meeting Thursday evening at 7:30 a. m.

—The services at St. Mary's Catholic church will be conducted by the pastor, the Rev. M. W. Lyons. Masses will be read at eight o'clock and ten o'clock in the morning with the vesper and benediction service at three o'clock in the afternoon.

—The services for the United Presbyterian church at Glenwood will be Sunday school at 1:30 and preaching at 2:15.

ENLISTS AS CHAPLAIN

Carene Burkhardt, who is a cousin of Mrs. Fanny Rudebaugh of East Seventh street, will be ordained into the priesthood and will read his first Mass on Sunday morning at ten o'clock at St. Gabriel's Catholic church in Connorsville, which was formerly the home of the young man. He has already enlisted his services as chaplain with the war department and expects to leave soon after his ordination for service in France.

W. L. HART

Society

A delightful farewell party which developed into an announcement party as well, was given Tuesday night at the home of Mr. and Mrs. Grant Hinckman, of near Fairview, for Elmer Darnell, who leaves tomorrow for Purdue University to take training as a mechanic in the aviation corps. The twenty-five guests spent a pleasant evening at the close of which light refreshments were served. Just before the guests were ready to leave a fake telegram was handed to Mr. Darnell which cleverly announced the engagement of Miss Mary Hinckman, daughter of Mr. and Mrs. Grant Hinckman to Howard Kehl, son of Mr. and Mrs. George Kehl of near Falmouth. The wedding will take place in May and Mr. and Mrs. Kehl will reside on a farm near Falmouth.

Honoring Martin Carroll who will leave tomorrow for Camp Taylor, Ky., to enter military training, Mr. and Mrs. Thomas Carroll entertained at their home in East Sixth street last night with an informal dinner party. The dining room was attractively arranged for the occasion with flowers and greenery and covers were laid for Mr. and Mrs. Patrick Carroll, Miss Mary Ellen Carroll, Miss Margaret Carroll, Ed Mullins, Owen McKee, Harry Hackman, Earl Osborne, Michael Cleary and John Schlichte.

Mr. and Mrs. J. H. Scholl entertained at their home in North Jackson street yesterday with a family

dinner, honoring Ernest and Earl Marlatt who will leave tomorrow to enter military training at Camp Taylor, Ky. The guests included Mrs. Anna Marlatt, Miss Mary Marlatt, Mrs. Fred Miller and children of Connersville and Mrs. P. P. Willis and son John of Toledo, O.

The Misses Nellie Hayes of Raleigh and Henrietta Talbot of Morristown both teachers in the Raleigh schools entertained the junior and senior classes of the Raleigh high school and a few other guests at dinner last night at the home of Miss Talbot in Morristown. The other guests included Miss Mae Laughlin and Mrs. Ed Laughlin and Mr. and Mrs. Ed Jackson all of Raleigh and Miss Eloise Nipp of Rushville. The evening was spent in dancing.

At the meeting of the Immaculate Sodality of St. Mary's Catholic church which was held last night at the home of Miss Gertrude O'Reilly plans for the bazaar which the members expect to give some time in May were discussed. The proceeds of the bazaar are to be given to the K. of C. war camp fund. The next meeting will be held with Miss Hilda McKee next Thursday night.

About fifteen couples attended the dance which was given last night at the K. of P. hall. The music which was furnished by a Connersville orchestra was excellent and the guests spent a very enjoyable evening. Among the out-of-town guests were Miss Weaver and Mrs. Fish, both of Indianapolis.

The members of the Kappa Kappa Gamma sorority at Depauw university are entertaining with a weekend house party. Among the guests will be Miss Dorothy Sparks, Miss Dorothy Mulno and Miss Marjorie Thomas of this city.

Mr. and Mrs. Lote Carter entertained at dinner last evening honoring Will Carter. Covers were laid for Mr. and Mrs. Will Carter, Mrs. Victoria Carter, Mrs. Mary Binkley and daughter and Miss Jean Richards.

Miss Frances Gilson, daughter of Mr. and Mrs. Herbert Gilson and Fred Knecht, son of Mr. and Mrs. William Knecht were married Wednesday evening at the Catholic parsonage by the Rev. M. W. Lyons.

Mrs. Wilbur Stiers was the hostess for the regular meeting of the Thursday afternoon bridge club yesterday afternoon at her home in North Perkins street.

Mr. and Mrs. Albert Winship en-

Clubs Are Registering 100 Percent

Five of Rushville's Clubs Have Reached Registration Goal For Women's War Work—Colored Women Being Registered by Mrs. Bean Have Almost Cleared The Mark.

One hundred percent, the goal set by Rush county women in the present campaign in registration for war work has been reached by five of the numerous women's clubs of Rushville, according to the report received at the local headquarters.

When the registration cards were explained to the members of the clubs at meetings several days ago the largest percent of the clubs pledged a one hundred percent registration. The first clubs to report the goal as reached are the Monday Circle, The Worthwhile club, the Wednesday Afternoon, Sewing club, the Thursday Afternoon bridge club, and the Grand club.

The work among the colored women which is being conducted by Mrs. Bean is progressing rapidly. In two days work, the canvassers succeeded in signing up fifty out of seventy-eight women to be reached. They expect a hundred percent registration among the colored women of the city.

tertained at dinner yesterday honoring Mrs. Eunice Moore who celebrated her eighty-seventh birthday.

HOUSE IS SOLD FOR HIGH SCHOOL PLAY

Practically Every Seat is Taken For "All of a Sudden Peggy" to be Given Tonight

CONSISTS OF THREE ACTS

Everything is in readiness for the senior class play, "All of a Sudden Peggy," to be presented by the members of the graduating class this evening in the auditorium of the Graham Annex.

The final rehearsal was held last night and the entire production promises to be one of the most clever ever produced by the high school students here. The play consists of three acts and the stage settings for each have been most attractively created by Miss Henrietta Coleman. The house is sold out, with the exception of a few seats in the rear. The high school orchestra will give a short program before the opening of the show and between each act.

525 Dozens Of Eggs Donated To Red Cross

Twelve Automobiles Scour Washington Township During "Drive" And as a Result Approximately \$170 Will be Added to Auxiliary Treasury.

Five hundred and twenty-five dozens of eggs were brought in to the

Red Cross headquarters of Washington township yesterday evening as the result of the egg drive which was made by Red Cross workers there yesterday.

Some time ago a plan was conceived by which the Red Cross of that vicinity might be aided materially by the residents and following an enthusiastic meeting of the women of the township it was decided that they would give all of the eggs gathered on Wednesday, April 24 to the Red Cross auxiliary, the pro-

ceeds of which are being used for material for the auxiliary there and to be used for Washington township boys who have enlisted in the service.

Twelve automobiles scoured the township yesterday gathering the eggs which when sold will add approximately \$170 to the treasury.

Mrs. Will Carter entertained at dinner today Mrs. Victoria Carter and Mrs. Charles Combs and daughter.

POTATO WEEK—EAT MORE POTATOES AND LESS WHEAT PRODUCTS.

We Think It Will Be

Summertime Bye-and-Bye

so we have made elaborate preparations for your warm weather needs. Notable among the new things are the two-piece wash suits with sleeveless coats. There is a beautiful assortment of them, and they are fashioned from a splendid quality gaberdine, either plain white or with colored pin stripe or checks. Be sure to see them. They are priced from \$10.00 to \$13.50.

You will be more than pleased with the extensive showing of handsome gingham and voile dresses. Your wardrobe will not be complete without at least two of these. Linen middie suits are to be had in a variety of pretty spring shades, as are also scores of novelty smocks.

You can purchase cheap waists anywhere, but Wirthmor Waists can be secured only at this store. They come to us new every month. With the greatest of confidence, we can recommend them to you as the best one dollar value on the market. Investigate their worth. The Welworth blouse at \$2.00 is just as good a value.

A shipment of pretty new Silk Anto Hats has just arrived.

Many of Our Handsome Tailored Suits Greatly Reduced

Many of our prettiest suits are now offered you at an extremely interesting price. They are strictly up to the minute in style, and are built from the best of all wool materials. The sizes range from 16 to 44 and the color range is equally big. This is an exceptional opportunity so do not pass it by. The suits are \$29.50 to \$35.00 values, your choice now **\$25.00**

BE FITTED TOMORROW. AN UNUSUAL OFFERING.

What is YOUR Sacrifice?

When our Indiana soldiers finally come home from Europe, **VICTORIOUS**, it may be mighty hard for some of us to look them in the eye!

These Indiana soldiers will come *home*—their souls exalted by the heroism and sacrifices of the great struggle—and sickened with the suffering of it all!

At the best *we're* not going to seem tremendously courageous in their eyes—we who have stayed comfortably at home while they were braving unspeakable horrors!

But what of the man who has stayed at home and has not done ALL that he COULD do?

God help him!

What of the man who could have bought **TWO** or **FIVE** or **TEN** Liberty Bonds, and only bought **ONE**?

What of the man who could have bought \$2,000 or \$5,000, or \$10,000 worth—and only bought \$1,000?

What of the man who is willing to borrow money to strengthen, stabilize and promote his **BUSINESS**—but who isn't willing to borrow money, if necessary, to buy **MORE** Liberty Bonds and stabilize, strengthen and promote the most vital cause in the history of the world?

Answer these questions! Take them home to yourself. And, if you **HAVEN'T** done what you **SHOULD** and **CAN** do—**SAVE YOURSELF**. Buy **YOUR SHARE** of Liberty Bonds today!

There is danger that Rush County's allotment may not be reached in this Third Liberty Loan. The danger is here because **ALL** men have **NOT** done **ALL** they **COULD** do.

Get **RIGHT** with yourself. Be able to look our Indiana boys squarely in the eye when they come marching home! This is the **LAST** call!

Buy **MORE** Liberty Bonds

RUSH COUNTY LIBERTY LOAN COMMITTEE

Rheumatism Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed pharmacists to guarantee it in every instance.

(Adv.)

Food From Your Back Yard

No. 16

HOME GARDEN MUST BE GUARDED AGAINST HUNGRY INSECT FOES

The home gardener should prepare early to combat plant diseases and insect pests which practically certain to appear in his garden and which if not fought effectively will interfere seriously with yields or even destroy the crops. Provision to combat these foes of garden vegetables is of equal importance with other phases of gardening and under no circumstances should be neglected. The wise gardener does not wait for the appearance of insect and diseases, but takes steps against them by spraying his plants at reasonable intervals, or by other protective measures, from early spring until his crops have been harvested.

Simple methods of protecting plants from the larger eating insects are to pick them by hand or to knock them with a stick into a pan containing water on which floats a thin film of kerosene. Insects collected by hand should be destroyed promptly. Some young plants may be protected by setting over them wooden frames covered with mosquito netting, wire mesh, or cheesecloth.

If the home gardener finds it necessary to adopt other than these simplest methods he should secure early in the season the necessary implements and materials in this anti-insect campaign. He may need a substantial hand sprayer and concentrated solutions for spraying on the plants after dilution with water. Every effort should be preferred. Gardeners who obtain a supply of chemicals too great for their needs can help by supplying the surplus to a neighbor.

Diseases and Insects Grouped
The diseases which affect garden plants may be divided into two groups, parasitic maladies, such as the blights, are caused by fungi or germs; and usually may be prevented or controlled by spraying with Bordeaux mixture. Little is known, however, of the so-called constitutional diseases, and little can be done prevent their ravages. If some malady which does not yield to treatment with Bordeaux mixture manifests itself on isolated plants in the garden, it may be well to pull up these plants and burn them.

The insects which attack garden plants may be divided into two groups—those which eat or chew the foliage or fruit, and those which suck the plant juices. Eating insects may be killed usually by spraying poisonous solutions or dusting powders on the plants which they attack. Arsenate of lead is the poison in most general use for this purpose. The substance is poisonous to persons as well as to insects and must be used with care. It should not be applied to vegetables that are to be used soon. All vegetables should be washed carefully before they are eaten, regardless of whether they have been sprayed.

Most of the garden plants may be safeguarded against disease and at the same time protected from attack by certain eating insects by spraying at intervals of two weeks with a combination of Bordeaux mixture and arsenate of lead.

Sucking insects, such as a plant-lice, or "aphis," can not be killed by poisoning the surface of the leaves and fruit, since they feed by puncturing the plants and extracting the internal juices. Poisons which will kill by contact or substances which envelop and smother the pests are, therefore, employed against the sucking insects. The principal remedies of this sort are nicotine-sulphate solutions, fishoil and soap solutions, and kerosene-soap emulsion.

Help in Combating Insects

The insects most likely to appear in the vegetable garden are listed in the accompanying table.

Gardeners desiring additional information in regard to insects affecting vegetable gardens should apply direct to the Bureau of Entomology, United States Department of Agriculture, or to the horticultural specialists of the Department, but it should be understood that there is no publication covering the entire subject. Farmers' Bulletin 856, "Control of Diseases and Insect Enemies of the Home Vegetable Garden," treats of many plant foes and will be sent free upon application to the Department. Specimens of insects, with some account of food plants and ravages, if sent with inquiries, are of great value, wherever there is any doubt as to the name or character of the insect.

The gardener should remember that many plant diseases and insects exist in the garden from year to year. At the end of the growing season, therefore, the gardener should be carefully cleaned of rubbish and the stems of plants, leaves, and other remnants. Prompt burning of the rubbish is sure to destroy many disease spores and many insects which may be present.

VANGUARD OF TROOPS ARRIVE FOR TRAINING

Ten Thousand New Troops from Indiana, Kentucky and Illinois Are Arriving at Camp

NEW SYSTEM OF MOVEMENT

Camp Zachary Taylor, April 26.—The vanguard of 10,000 new drafted men arrived from Indiana and about 1,000 of these were negroes.

Under the new draft system a steady stream of selected men is expected to keep flowing into camp during the summer. Since the last 5,000 left here this camp has a very depleted population, not more than 15,000 being here the last week.

Army officers are hoping that under the new system the number never will be allowed to decrease to that number again.

K. of P.'s AT MEETING

Indianapolis, Ind., April 26.—Knights of Pythias from all parts of the state were here today for their annual meeting. A parade with several regiments in uniform participating will start the celebration tonight. Governor Goodrich will be main speaker at the meeting following the procession.

ANNIVERSARY SERVICE

Every Odd Fellow is requested to meet at the hall Sunday morning at ten o'clock for the purpose of attending the anniversary service at the First Baptist church to be conducted by the Rev. C. J. Bunnell.

Potato Week

The Food Administration is asking that we use more potatoes and less wheat on account of the fact that at this time we have the greatest surplus of potatoes ever known at this time of year while the supply of wheat is the smallest ever known. It is not asked that we live on potatoes alone, but they should appear at every meal if possible.

PLANT MORE POTATOES

It is very rare for us to have two good successive potato crops, therefore we should make every effort to plant a large crop this year in order that we may be self-sustaining in case this should prove to be a poor potato year.

Make our store your daily marketing place, we can help you forget that wheat and meat used to be our principal food articles.

Fancy Eating Potatoes, 60 lb. bushels, from 90c to \$1.25

Out For Tanlac With Statement

This Woman Says Health Is Lot Better Since She Gave Tanlac Trial

"My stomach used to be so out of order that everything I ate turned to gas and it filled me up so much sometimes that I thought I'd burst," said Mrs. Mary Frye, 321 New Jersey Street, Indianapolis, Ind.

"I'd have a smothered feeling when my stomach would fill up with gas like that, and sometimes I had pains in my stomach too."

"The trouble with my stomach made me restless at night. Sometimes I couldn't sleep at all until I got up and took a big dose of soda to settle my stomach and even then the rest I got wasn't what it should have been."

"My appetite was poor, too, and I felt weak all the time."

"I read in the papers of quite a few people who had been benefited by taking Tanlac and so I finally tried it."

"Well, I just seemed to get better right away. My appetite improved a lot and I soon noticed that the gas in the stomach wasn't bothering me so much. My stomach is in good shape now and I never have to take soda or anything like that."

"I can sleep as well as ever at night now, too, and get good rest."

Tanlac is purely vegetable. It is made up of roots, barks and herbs and is designed especially to build up run down systems. Get Tanlac if you don't feel right and get it today. You can get Tanlac at F. E. Walcott's or any other good drug store.

Try Tanlac Rheumatism Treatment for rheumatism. It is helping hundreds of rheumatic sufferers and it will do for you what it is doing for others. You can get it at any drug store.

EDUCATION AFTER THE WAR DISCUSSED

A. M. Hall of Indianapolis. Speaks at Annual Arlington Commencement Thursday Night

FOUR RECEIVE DIPLOMAS

In keeping educational week, A. M. Hall of Indianapolis, member of the state board of education spoke on "Education After the War" at commencement of the Arlington high school which was held last night in the Christian church there.

The duty of the present day students to continue their education in order that they will be prepared for any emergency which might arise in after years along with the reconstruction of the world was discussed by the speaker. The invocation was pronounced by the Rev. F. M. Westhafer pastor of the Arlington Methodist church and the benediction by the Rev. C. C. Perrin of the Christian church. A musical program was given by the Downey orchestra.

At the close of the exercises C. M. George, county superintendent, presented the diplomas to the four graduates who included Miss Charlotte Tribby, Leon Stanley, Wilmer Blanton and Wallace Brown.

present at the cottage prayer meeting which was held at the home of Harry Carter Tuesday night.

Carthage

Mr. and Mrs. William Henley visited Mr. and Mrs. Roy Mayse and son William Henley in Muncie Thursday and Friday.

Marriage announcements of Lelia June, daughter of the Rev. and Mrs. John J. Coleman, to Ward Culber Bowen on Thursday, April 18 at Houghton, New York, have been received by their friends here. Mr. and Mrs. Bowen left immediately for Oberlin, Ohio, to be guests of Mr. and Mrs. Paul Fall for several days.

Mrs. Earl Call of Knightstown was in town Saturday afternoon to attend the sale of household goods of the late Mary Jane Small.

Mr. and Mrs. R. P. Henley and family were Sunday dinner guests of Mr. and Mrs. W. N. Hinshaw.

Al Carr left Monday for St. Louis Missouri, to join a branch of the United States service for the war.

"Pat" Sandusky spent Sunday with Mr. and Mrs. Russel Sears before leaving Monday for North Vernon for a short visit with his mother before leaving for the camp.

Mrs. F. P. Brennan attended the Galli-Curci concert at the Shubert Murat theatre in Indianapolis Monday evening.

V. O. Dugan of the 9th company, Coast Artillery, Fort Hamilton, New York, and Neal Hinton of Anderson, who went to Camp Taylor, April 26 have been visiting their sister and family, Mrs. Everett Webb.

Mr. and Mrs. Shirley Macy, Mr. and Mrs. Lowell Macy and daughter and Willie Ward and son of Arlington were Sunday afternoon guests of Mr. and Mrs. Everett Webb and were accompanied home by Neal Hinton for a short visit.

About 25 of the members of the Rebekah lodge from here attended the Arlington lodge Tuesday night. Visitors were present from Rushville, Milroy and Shelbyville also.

Mr. and Mrs. Harvey Jessup have received word of the safe arrival of their nephew, Henry B. White some where in France. Mrs. Jessup is improving after six weeks illness.

William Jenkins north of town, who had an operation on his face Friday, is not improved.

Mr. and Mrs. William Henley and Mrs. Clara Henley attended the funeral of their cousin, Ferdinand Rose at Gas City, Thursday.

R. H. Hill is improving after an attack of bronchial pneumonia.

Al McDaniel received word from his nephew Walter McDaniel that he liked it at Camp Taylor fine, having been there two weeks.

Clarence Henley, youngest son of Mr. and Mrs. Blue Henley, had double pneumonia.

FRESH FISH AT MADDEN'S RESTAURANT

DON'T LET WORMS KILL YOUR HOGS

LOSSES FROM WORMS

Breeders and feeders of hogs, sheep, horses and cattle are familiar with most of the obstacles to be overcome in the breeding and feeding business, but as a matter of fact, there are fewer farmers and breeders who really know the extent of their losses from worms and indigestion in their hogs, sheep, horses and cattle than any other branch of the business.

If we were to tell you of the tons and tons of worms annually removed from the casings of hogs and sheep in the packing houses, you would hardly believe it but we can more than convince you if you will take a trip to the great packing houses and visit the department in which the casings are run and see for yourself these vast quantities of worms, you will then say "The half has not been told."

After you have seen this for yourself you will then realize as never before why it was that you lost so many young pigs; why it was your pigs and shoats did not do better and did not feed better; why you lost so many shoats or so many lambs, from what appeared to be some kind of disease (which was really worms) and why on other lots of shoats and lambs you did not get better gains and better profits from your grain, and you will see and understand as you never did before—why it is you need A REAL WORM EXPELLER and CONDITIONER.

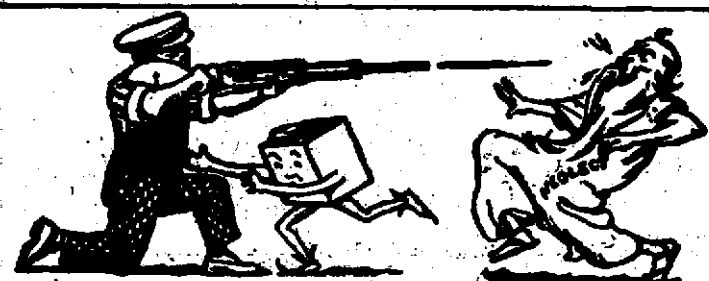

ACME WORM BOUNCER will expel the intestinal and stomach worms from your hogs, sheep, horses and cattle.

Mr. Robert Williams,
Galesburg, Mo.

December 27th, 1917.

Dear Sir:

You are right when you say in yours of December 24th that Senreco is a remarkably good tooth paste and that it has a strong story to tell, but the difficulty lies in putting that story in such language as will convince the public.

The Senreco story of a medicinal paste that not only cleanses the teeth but also keeps mouth and gums healthy, when put on paper does not sound very different from the story of just any ordinary dentifrice.

For that reason we make every effort to get the people to try Senreco. After that Senreco tells its own story - and fully 90% of them are Senreco users and boosters from then on.

There is a Senreco user in Pittsburgh who has introduced our product into the families of thirty-four of his friends. Enthusiasm? No, not entirely. Simply a case of Senreco making good. It is just as stated above. If they will try Senreco - if they once become acquainted with a real dentifrice - with what a dentifrice can and should be - they are Senreco boosters from that time on.

Your druggist or toilet counters can supply you with Senreco. It comes in large, two ounce tubes and retails at 25¢.

Why not get a tube to-day? Try it. We stand behind every package of Senreco with a money-back guarantee.

Very truly yours,
SENRECO,
CINCINNATI.

Why Not Make Up Your Mind To Buy a Janesville Planter?

It takes the chance out of corn planting and we feel sure you will like it. A good many thousand farmers have found in the JANESVILLE just what they wanted in a planter.

You Can Depend on the Drop

A slight feed shows you just what is being planted. Our system of plates will handle any kind or variety of corn just as accurately as is possible by mechanical means.

USE A JANESVILLE AND INSURE A GOOD CROP

BUY YOUR BINDER TWINE NOW - OUR STOCK IS READY

REVISED WHEAT STANDARDS FIXED

Affects Grading of Wheat and Shelled Corn Moving in Interstate And Foreign Commerce

EFFECTIVE AFTER JULY 15

Dockage Will be Expressed in Terms of Whole Percents Instead of Half Percent

Washington, April 26.—Revised standards which affect the grading of wheat and shelled corn which moves in interstate and foreign commerce on and after July 15, 1918, have been fixed and established by order of the Secretary of Agriculture, under the provisions of the United States Grain Standards Act. The new standards supersede those now used and which will continue in effect until July 15, 1918.

The department announces that the new wheat grades will result in a greater proportion of the crop falling into the higher grades. The more important of the changes are:

Dockage will be expressed in terms of whole per cent, rather than half per cent, disregarding fractions, and the definition of dockage specifically requires releaning and rescreening, so that as large a proportion as possible of cracked wheat will be recovered.

The more definite term "foreign material other than dockage" has been substituted for "inseparable foreign material."

The allowance for wild peas, corn cobs, and similar impurities is more liberal.

The percentages of hard kernels required in the premium sub-classes of Hard Red Spring, Hard Winter and Common White have been changed and made more liberal.

The minimum test weight per bushel requirements generally are reduced, except for grades two, three, and four in Hard Red Spring wheat and grades one to four in Common White and White Club.

The maximum percentages of moisture allowed have been increased for all grades, except for grade No. 2 in Hard Red Spring and Durum.

The total wheat of other classes permissible is increased in every grade, No. 1 now permitting 5 percent and other grades 10 percent. Special limitations for certain wheats of other classes now apply only to the first two grades.

The total damaged wheat permitted has been doubled for grade No. 1. Small amounts of heat-damaged kernels are to be permitted in grades No. 1 and in increased amount in grades No. 2.

The quantities of smut allowed before designating wheat as "smutty" have been doubled.

The subclasses Red Spring, Soft Red and Humpback have been eliminated from the standards, and grades for garlicky wheat added for all classes.

The corn standards in the main involve the addition of weight per bushel requirements for all numerical grades and the allowance of small quantities of heat-damaged kernels in grades Nos. 2 and 3. Sep-

CITY EDITORS WILL HOLD CONVENTION

Meeting Will Be Held in Indianapolis Where Preparations Indicate a Two Days Session

MEETING IS NATION WIDE

Indianapolis, Ind., April 26.—The second annual convention of the national association of city editors will be held here May 11 and 12 and promises to be one of the most distinctive gatherings of working newspaper men ever held in the country.

Responses received from editors show the attendance will include delegates from practically every state.

An interesting program has been arranged for the two day session. A sightseeing tour will take place on the afternoon of May 11, followed by a reception at the Chamber of Commerce. In the evening the banquet will be held at the Claypool and the banquetters will be addressed by George Creel, chairman of the committee on public information who is also chairman of the board of governors of the association of city editors. Other speakers will include Governor James P. Goodrich, James Schermerhorn of the Detroit Times, Douglas Fairbanks, the movie star and a number of newspaper men.

Following the business session and shop talk Sunday in which many war issues of vital interest to newspapers will be discussed, William G. Shepherd, United Press War correspondent, will deliver an address before an open meeting. Hassal T. Sullivan of the Indianapolis News is president of the association; Paul F. Hunter of the Wisconsin State Journal, Madison, Wis., vice-president; Clyde P. Steen, Lima, O., Daily News, secretary.

The corn standards in the main involve the addition of weight per bushel requirements for all numerical grades and the allowance of small quantities of heat-damaged kernels in grades Nos. 2 and 3. Sep-

arate sample grades have been established for white yellow and mixed corn.

The revised wheat and corn standards are issued in the form of Service and Regulatory Announcements No. 33 of the Bureau of Markets. These printed copies are being mailed by this department to all parties who have been receiving copies of the grand standards publications. The department urges all members of the grain trade, and especially grain farmers and country shippers at points where licensed inspectors are not located, to thoroughly familiarize themselves with the new grades.
